RE: Application of South Carolina Electric & Gas Company for Increases and
Adjustments in Electric Rate Schedules and Tariffs
Docket No. 2009-489-E

Dear Mr. Terreni:

On November 24, 2009, South Carolina Electric & Gas Company ("SCE&G" or "Company") filed a notice with the Public Service Commission of South Carolina ("Commission") advising that the Company intends to file an application seeking adjustments in SCE&G's electric rate schedules and tariffs. The purpose of this letter is to inform the Commission that SCE&G will not file any quarterly rate of return reports for its retail electric operations – beginning with the quarter ended September 30, 2009 – during the pendency of this proceeding and until the Commission issues a final order in the above-referenced docket.

When SCE&G files its application in this docket, the application will contain information that the Company typically includes within its quarterly reports to the Commission. Therefore, SCE&G is informed and believes that the application will comply with the Company's quarterly reporting requirements. After the Commission issues its final order in this docket, SCE&G will resume filing rate of return reports for its retail electric operations with the Commission on a quarterly basis.

By copy of this letter, we are notifying the South Carolina Office of Regulatory Staff that SCE&G will not file any retail electric quarterly rate of return reports until the Commission issues a final order in this docket.
